School Plan & Budget for the 2011-2012 School Year

School Mission Statement

Strong Relationships and High Expectations—Every Student Excelling and Cared For—in Our Collaborative Learning Community-Every student Achieves, Everyone Accountable.

School Goals

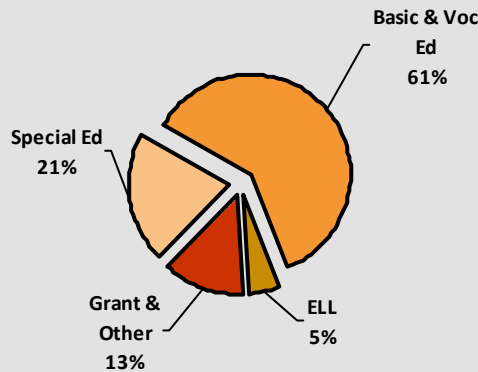

Reading-6th grade will make a 10% gain from 51% to 61%, 7th grade will make a 10% gain from 52% to 62% and 8th grade will make a 20% gain from 34% to 54% on being proficient on the state reading test. Math -6th grade will make a 10% gain from 41% to 51%, 7th grade will make a 10% gain from 44% to 54% and 8th grade will make a 20% gain from 26% to 46% on being proficient on the state math test.

School Description and Plan to Achieve Goals

Math: Students who scored in Level 1 or 2 on their most recent MSP and some level 3 students will have an additional math class focused on building the foundational math skills (Numbers and Operations). Students who scored in Level 1 or 2 and some level 3 on their most recent MSP will enroll in Math Camp to strengthen their foundational skills (numbers and operations). Students will have the opportunity to receive additional math instruction. We will provide instruction based on state standards and inform our instructional practices by using students' progress monitoring data. **Reading:** All students have 90 minutes of reading and writing instruction daily using the Teachers College Reading and Writing model. All Literacy teachers collaboratively developed a school curricular calendar that is vertically aligned and anchored with the state and common core standards. Students in the Level 1 or 2 and some 3 on the MSP will receive reading intervention support. Explicit non-fiction reading instruction will take place in LA blocks, social studies and science classes.
