School Report for the 2011–2012 School Year

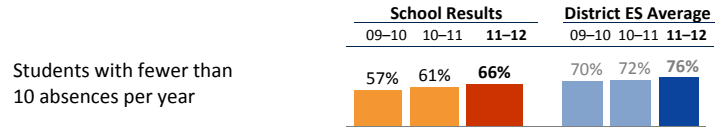

<http://kings.seattleschools.org/>

2011-2012 School Year
 # Students: 349
 # Teachers: 27 # Other Staff: 17
 Average class size: 23
 Average daily attendance: 94.1%
 Student mobility: 17%

Student Achievement

Attendance

Accountability and School Performance

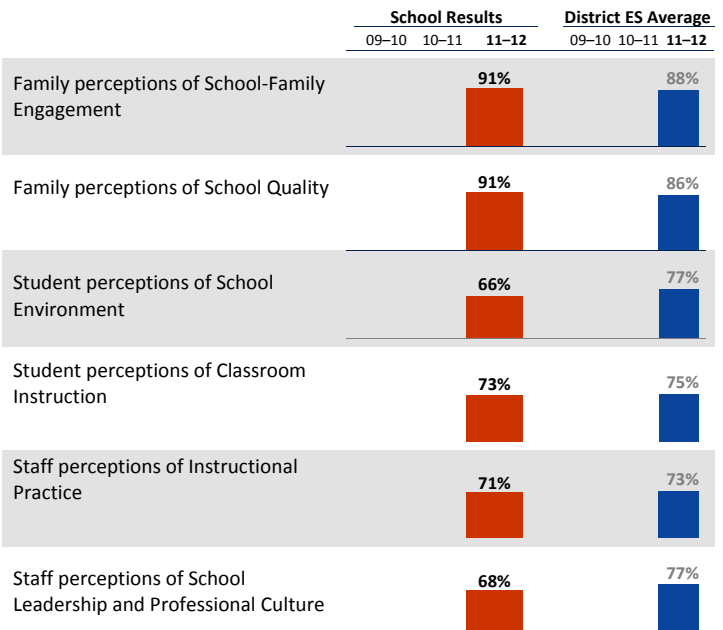

Seattle Public Schools Segmentation Level: **Level 1**

Annual Measurable Objective (AMO) target for Reading: **On/Above**

Annual Measurable Objective (AMO) target for Math: **On/Above**

Student, Family, and Staff School Climate Survey

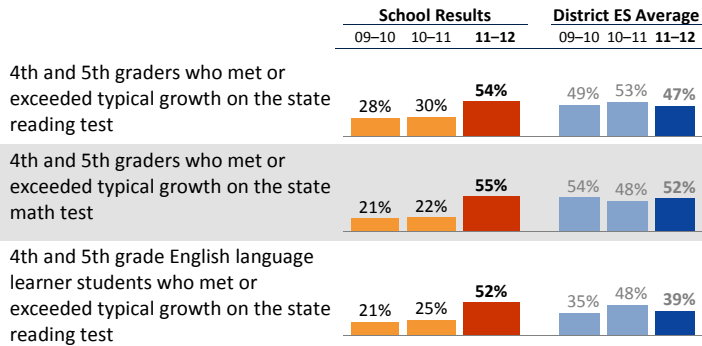

Average Positive Responses

* Families responding to survey: 9%; Students responding to survey: 94%; Staff responding to survey: 93%

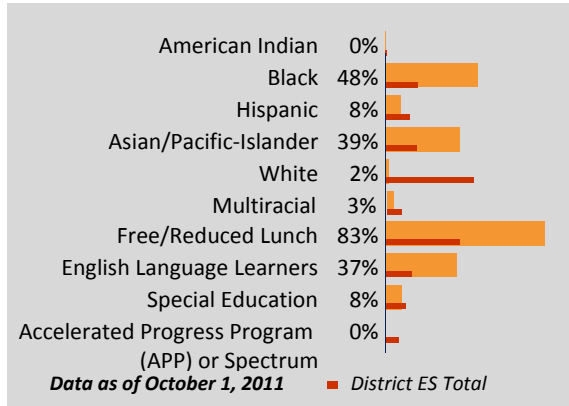

**Reported results for each survey category equal the average positive responses for a subset of questions. Detailed results can be found on the School Reports and Survey page: http://bit.ly/school_reports

Year-to-Year Growth: Following the Same Students

This measure shows how much growth students have achieved compared to similar students across the state in the same grade level. The overall metric reported is the percentage of students whose growth was average or above (50th to 99th growth percentile) on the state test. Students are compared to other students in the same grade level across the state with similar test scores in previous years.

Student Demographics

Student Proficiency on State Tests

School average compared to District elementary school average

School Plan & Budget for the 2012-2013 School Year

School Mission Statement

Every child achieving at high levels and every adult accountable for every child's success.

School Goals

For intermediate students we will increase the % of students proficient on the state math test from 24% to 44% and from 38% to 48% for reading. For all students we will increase the % of students meeting or exceeding typical growth on the MAP math and reading tests. For all students we will increase the percentage of students feeling positive about school environment from 57% to 67%.

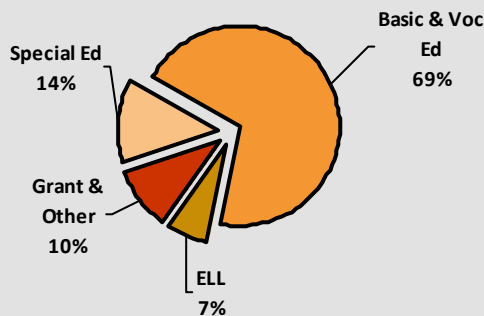

School Description and Plan to Achieve Goals

READING:Implementation of a Balanced Literacy program. As part of our master schedule every student is provided 90 minutes of uninterrupted instruction. This includes:teacher-led small groups where children receive instruction at their reading level, self-selected reading, independent practice geared toward their specific needs and instruction in phonics and/or vocabulary development. Instructional assistants and other ELL teachers provide academic support within K-5 classrooms. Through this collaboration, cross grade level teams identify when skills are taught and when they are mastered.With the use of the intervention/enrichment block instructional staff will provide opportunities to accelerate the learning of students at all levels.Instructional staff will collaborate to identify the specific needs that will be targeted during this time, with the use of MAP data.

MATH: Implement a school-wide Comprehensive Mathematics Program (as part of a master schedule) to include scheduling that will support flexible math groupings of students, with the use of Everyday Math curriculum. Identify students who are approaching grade level expectations and provide them with focused interventions, specifically in number sense and problem-solving. Once these students achieve mastery, students not meeting grade level expectations will be identified and provided strategic supports.Students will receive additional reinforcement of key math skills by accessing EDM, DreamBox and SuccessMaker (online).

Annual Budget Report

2012-2013 Percent of School Funding

All financial data are from the 2012-13 recommended budget.

Total 2012-2013 School Budget:

\$2,762,023

Projected 2012-13 Student Enrollment:

388

Per-Student Funding:

\$7,119

Invitation to Participate

One of the goals of having School Reports is to support our families as critical partners with us in your student's academic success. To get involved, please share this information with your friends and neighbors, visit your child's school, or consider talking to your child's teacher or principal about joining the school's Building Leadership Team or Parent Teacher Student Association to shape your school's improvement plan.

District Mission Statement

The mission at Seattle Public Schools is to ensure every student graduates ready for college, career and life.
