School Report for the 2011–2012 School Year

<http://madisonms.seattleschools.org/>

2011-2012 School Year

Students: 828

Teachers: 53 # Other Staff: 21

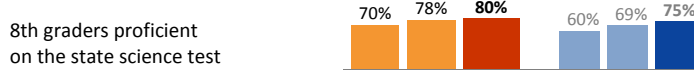

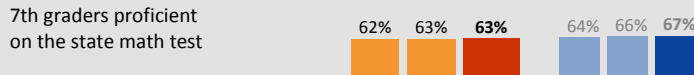

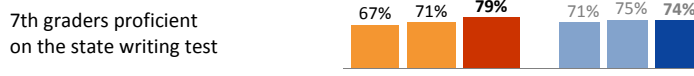

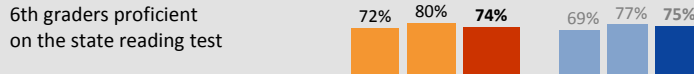

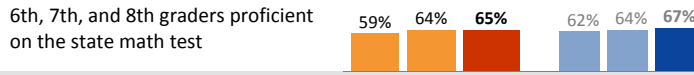

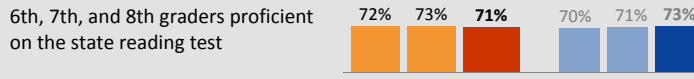

Average class size: 26

Average daily attendance: 92.9%

Student mobility: 8%

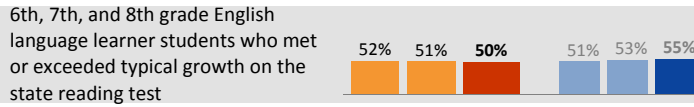

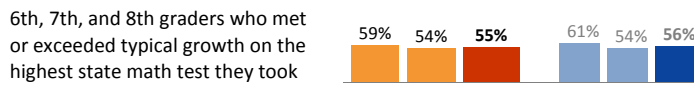

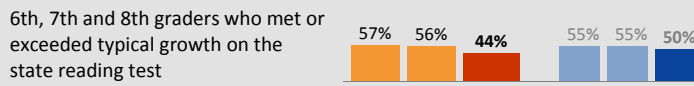

Student Achievement

School Results			District MS Average		
09-10	10-11	11-12	09-10	10-11	11-12

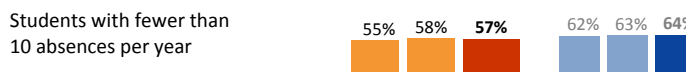

Year-to-Year Growth: Following the Same Students

School Results			District MS Average		
09-10	10-11	11-12	09-10	10-11	11-12

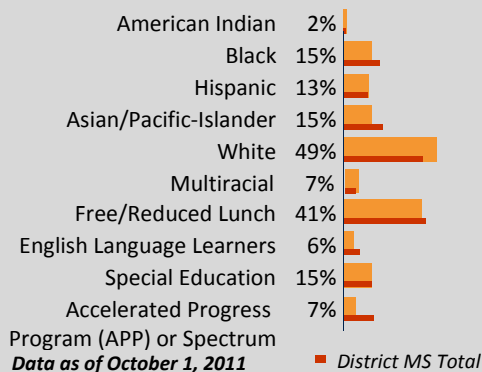

This measure shows how much growth students have achieved compared to similar students across the state in the same grade level. The overall metric reported is the percentage of students whose growth was average or above (50th to 99th growth percentile) on the state test.

School Plan & Budget for the 2012-2013 School Year

School Mission Statement

Focus on Learning, Every Student, Every Adult, Every Day, Achievement for All!

School Goals

In **math**, we will increase the % of students proficient on the state test from 74% to 80% for 6th grade, from 63% to 67% for 7th grade and from 58% to 65% for 8th grade. For **reading**, we will increase the % of students proficient on the state test from 73% to 80% for 6th grade, from 73% to 80% for 7th grade and from 68% to 75% for 8th grade. For 8th grade students we will increase the % of students proficient on the state science test from 80% to 84%.

School Description and Plan to Achieve Goals

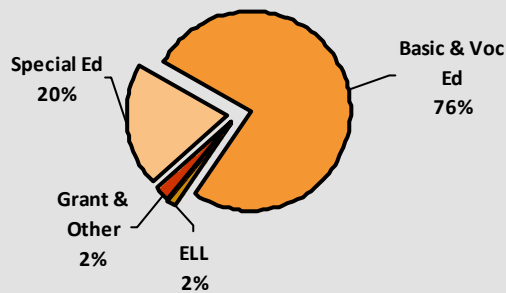

Madison Middle School is a cooperative partnership of students, parents, staff, and community members who have a vision of our school as a challenging and fun place to learn. Madison is a four time winner of the School of Distinction Learning Improvement Award for the State of Washington. We, at Madison value the development the “whole” child; their academic, social and emotional well being.

Reading: Humanities and reading teachers will create and implement a culturally responsive and aligned curriculum using Readers’ and Writers’ workshop and other research based instructional practices. Humanities and reading teachers will use school-wide formative assessments like MAP to inform instruction. The department will work to realign power standards and the curriculum, create a series of teacher-scores shared assessments, and expand the bank of intervention strategies for students who read below grade level. 6th and 7th grade reading teachers will use Teachers’ College assessments and Fontes and Pinnell assessments to assess students and identify “just right” books for them.

Math: Teachers will use best practices to improve math discourse among our students. Teachers will collaborate to collectively identify effective strategies to increase student engagement. Some students who are identified as needing additional support will be given a second math class to provide extra instruction. Students will also have additional learning opportunities in math as a part of our afterschool program. This year our math department will participate in the OSPI benchmark assessment. This will provide teachers with additional student academic performance data.

Annual Budget Report

2012-2013 Percent of School Funding

All financial data are from the 2012-13 recommended budget.

Total 2012-2013 School Budget:

\$4,903,385

Projected 2012-13 Student Enrollment:

759

Per-Student Funding:

\$6,460

Invitation to Participate

One of the goals of having School Reports is to support our families as critical partners with us in your student's academic success. To get involved, please share this information with your friends and neighbors, visit your child's school, or consider talking to your child's teacher or principal about joining the school's Building Leadership Team or Parent Teacher Student Association to shape your school's improvement plan.

District Mission Statement

The mission at Seattle Public Schools is to ensure every student graduates ready for college, career and life.
