School Plan & Budget for the 2013-2014 School Year

School Mission Statement

Strong Relationships and High Expectations Every Student Excelling and Cared For in Our Collaborative Learning Community-Every student Achieves, Everyone Accountable.

School Goals

Reading- 6th grade will make a 10% gain from 61% to 71%, 7th grade will make a 10% gain from 57% to 67% and 8th grade will make a 10% gain from 51% to 61% on being proficient on the state reading test.

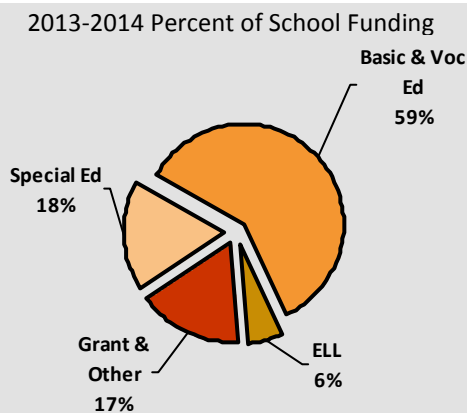

Math- 6th grade will make a 10% gain from 60% to 70%, 7th grade will make a 10% gain from 53% to 63% and 8th grade will make a 10% gain from 59% to 69% on being proficient on the state math test.

School Description and Plan to Achieve Goals

Math: Students who scored a Level 1 or 2 on their most recent MSP and some level 3 students will have an additional math class focused on building the foundational math skills (Numbers and Operations). Math teachers provide instruction based on state standards and inform their instructional practices through collaboratively developing standards-based units, by using students' data to progress monitor and intervene appropriately.

Reading: All students have 100 minutes of reading and writing instruction daily. Students are scheduled in just-right reading classes based on MAP and MSP data. Finer-tuned adjustments occur with reading level assessments, interim assessments and teacher feedback. Reading classes include Teachers College Reading and Writing model, Inside curriculum, Read 180 and Systems 44. We utilize multiple pedagogical approaches, such as differentiated small group instruction, accountable talk protocols, and daily assessments (e.g. short-writes, long-writes, conferring, exit tickets). All Literacy teachers collaboratively developed a school curricular calendar that is vertically aligned and anchored with the state and common core standards. Explicit non-fiction reading instruction will take place in LA blocks, social studies and science classes. Students who scored a Level 1 or 2 and some level 3 on their most recent MSP will have the opportunity to participate in Academic Break Camps, Saturday Academy and Extended Learning Time afterschool twice a week to strengthen their reading and math skills.

Annual Budget Report

All financial data are from the 2013-14 recommended budget.

Total 2013-2014 School Budget:

\$6,211,510

Projected 2013-14 Student Enrollment:

747

Per-Student Funding:

\$8,315

Invitation to Participate

One of the goals of having School Reports is to support families as critical partners with us in a student's academic success. To get involved, please share this with your friends and neighbors, visit the school, or consider talking to the teacher or principal about joining the school's Building Leadership Team or Parent Teacher Student Association to shape your school's improvement plan.

District Mission Statement

The mission at Seattle Public Schools is to ensure every student graduates ready for college, career and life.
