School Plan & Budget for the 2015–16 School Year

School Mission Statement

Montlake Elementary is a united community of diverse students, families and educators engaged in challenging curriculum that is enhanced by environmental science and the arts enabling every learner to reach his or her full academic potential.

School Goals

At least 85% of students will meet/exceed standards in English language arts and math, as measured by 2016 SBA and Spring 2016 MAP. At least 85% of students will meet/exceed standards in science as measured by 2016 MSP.

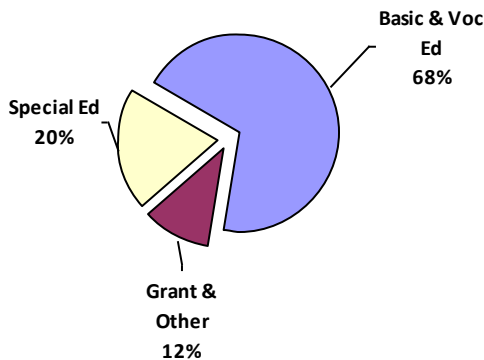

We also plan to increase participation rates. Because a significant number of families chose to “opt out” or refuse to have their child take the test, particularly at fifth grade, our scores look significantly lower for 2014-15 than they would be had all students taken the exam.

School Description & Plan to Achieve Goals

Montlake is a small elementary school of 265 students. We have 11 general education classrooms and 2 special education programs. We are working hard to implement Common Core State Standards in language arts and math. For reading and writing, we use TC Readers Workshop and TC Writers Workshop. In math, our curriculum is EnVision. We also provide support for struggling learners through tutors and targeted programs and enrichment for those who have already met grade level standards, including an ALO and Walk to Math program. In addition, we are focused on emotional intelligence and positive social relationships, so we are implementing a program called RULER school wide. We also provide our students with access to a full range of specialists--health and fitness, art, vocal music, instrumental music, library and technology, and greenhouse education.

Annual Budget Report

2015–16 School Funding by Category

All financial data are from the 2015–16 recommended budget.

Total
2015–16
School
\$1,901,000

Projected
2015–16
Student
Enrollment:
248

Per-Student
Funding:
\$7,665

Invitation to Participate

Please share our annual School Report with your neighbors. We encourage you to visit your child’s classroom and attend school events. Daily school attendance and on-time arrival is important for accessing our high quality learning environment. We welcome communication with your child’s teacher and our principal. Read our Thursday Bulletin at <http://montlakees.seattleschools.org/>

District Mission Statement

Seattle Public Schools is committed to ensuring equitable access, closing the opportunity gaps and excellence in education for every student.
