School Plan & Budget for the 2016–17 School Year

School Mission Statement Through teaching and practicing our core values, our school community will challenge stereotypes and promote social justice in a diverse world. We will foster academic achievement through integrated, collaborative learning. In our international education (cont'd below)

School Goals (Cont'd from above) program, students will celebrate their own identity as they investigate the world, recognize different perspectives, and communicate effectively across cultures so they are empowered to take action. School Goals: At McDonald International School, we have focused our goals on Math, Reading, Writing, and School Climate.

School Description & Plan to Achieve Goals We teach Japanese and Spanish in a language immersion model, and focus on global perspectives through social studies. We make use of best practices in balanced literacy and math instruction, as well as effective use of Multi-Tiered Systems of Supports. Our professional learning community (PLC) teams meet regularly to monitor student progress on formative and summative assessments and adjust instruction as needed. At McDonald International School we have eight Core Values: Cultural Competence: We seek to understand, appreciate, and effectively communicate with people across cultures. Respect: We treat others as we want to be treated. Responsibility: We are accountable for our choices, actions and words. Justice: We work for equal rights, freedom from bias, and fair treatment for all. Empathy: We understand and enter into another’s feelings. Courage: We have the strength to do the right thing. Honesty: We are truthful members of our community. Perseverance: We are determined to keep working and trying even when things feel hard.
