

Advanced Learning Opportunity School Plan

School Name

Laurelhurst Elementary

2008/2009 School Year

ALO Model:

Our model serves our highest performing students, regardless of whether or not a child is designated as APP or Spectrum by the district. We nurture and inspire students performing above standards through rigorous and engaging activities. Our instructional strategies are varied according to student needs. Some of the instructional strategies that we use include:

- Differentiation/Acceleration within the Regular Classroom
- Flexible groupings for instruction
- Technology integration to support project based learning
- Individual Learning Projects that are student-driven
- Integration of Art and Music

ALO Strategies:

- Curriculum Compacting
- Tiered Assignments
- Flexible Groupings
- Independent Studies
- Multidisciplinary Learning Projects
- Inquiry Learning in Science and Math
- Student Oral Presentations
- Extended Math Problem Solving

Enrichment Opportunities:

- Chess Club
- Literacy Circles
- Math Olympiad and Math Competition Team
- Writer's Workshop
- World Languages
- Garden Club
- Art, Music, Science
- Technology Integration
