

SEATTLE PUBLIC SCHOOLS ATHLETIC SPORTS PARTICIPATION FEE 2009-10

To best support our high school sports programs and student athletes, and consistent with other school districts around the region, the Seattle School Board approved an Athletics Sports Participation Fee Policy effective beginning with the 2007-08 school year. Fees will be collected on a per sport basis.

The policy will include but is not restricted to the following items:

- All Participation Fees must be collected when the “Athletic Registration & Physical Form” is turned in.
- All collected fees will remain in a newly created ASB budget line at the building where the fees were collected earmarked to support the athletic program.
- ASB cards **MAY** be required for athletic participation at the discretion of the building principal. However, if ASB cards are required, fees should be capped at \$25.00 for all student athletes.
