SCIENCE, ENGINEERING & INDUSTRY PATHWAY
Course Names by Location
(2007-08)

Course Name	Ballard	City Campus	Cleveland	Franklin	Garfield	Nathan Hale	Ingraham	Interagency	Marshall	Nova	Rainier Beach	Roosevelt	Chief Sealth	West Seattle
Applied Math 1, 2, 3, 4				●			●				●		●	
Apprent Construction				●									●	
Aquaculture														
Auto Technology							●							●
Aviation Tech														
Bio Tech Biology	●													●
Bio Tech Chemistry	●													
Bio Tech Genetics	●													●
Career Skilled Trades (CWEST)		●												
Carpentry														
Commercial Airline														
Computer Integra Manu	●											●		
Coop Agriculture														
Digital Electronics												●		●
Drafting							●					●		
Ecology (Science)						●								
Eng Design & Dev	●													
Engineer Coop Worksite														
Env Horticulture			●			●				●				
Environmental Science					●									
Game Design						●								
Intro Engineering Design	●		●	●								●		●
IT A+ Certification (BMI)						●								●
Law and Justice Studies									●					
Manufacturing Tech					●			●						
Maritime	●													
Mechanics Related														
Mech/Repair Tech Coop														
Metals	●													
Precision Production Coop														
Principles of Engineering	●			●								○		
Security & Protective Service														
Tech Drawing														
Technical Services					●									
Technology Coop														
Transport/Mat/Moving														

Woods	●												●	
Woodworking				●										●
X Building Trades				●									●	
X Vocation Drafting														
XCC Auto Body		●												●
XCC Auto Technology (Automotive YES)		●												
XIA Construction											●			
XIA Industrial Drafting														
XIA Principles of Technology
