

# 2010-2011 Kindergarten School Choice Form Instructions

The district-wide fee for full-day kindergarten is \$207 per month. The fee will be waived for students eligible for Free/Reduced price meals (FRL); they will be able to attend full-day kindergarten at no charge, no matter what school they attend. The fee is waived for all students at schools where 55% or more of the students are eligible for FRL; these schools are marked with a single asterisk on the worksheet. There is no fee for half-day kindergarten.

**All students start with an assignment. Complete a *School Choice Form* only if you want to request another school.** You keep the designated school assignment unless your child is assigned to one of your choices. If not assigned to one of your choices, your student will be placed on the waiting list for the first choice school. More information about school enrollment is available at [www.seattleschools.org](http://www.seattleschools.org) or call (206) 252-0760.

**Section 1** – Enter the address where your child lives with his/her parent or legal guardian. It is the parent/guardian’s responsibility to keep Seattle Public Schools informed of any address changes. Providing false or misleading address information will be cause for revoking the student’s assignment.

**Section 2** – Use this application for kindergarten only.

**Section 3 (Optional)** – Complete this section if you are choosing a school where another child in your household is attending. To obtain sibling priority for a school, a student must live in the same household and have the same home address as his/her sibling(s). It is your responsibility to ensure that the home address on record for the sibling(s) you list in this section is the same as the one provided in Section 1. Conflicting addresses may prevent your child from receiving sibling priority to a school. In addition, the sibling(s) must be assigned to that school in the 2010-2011 school year. Sibling priority is not available to a student if his/her sibling is not assigned to that school next year.

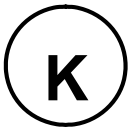

**Section 4** – Use the **Kindergarten School Choice Worksheet** provided on the back of these instructions to help you fill out Section 4. Schools on the Worksheet are listed alphabetically by Service Area. Transportation is provided within a Service Area (subject to distance eligibility). All schools listed provide full-day regular kindergarten programs; available half-day and Montessori programs are listed separately. On the Worksheet, number your school choice(s) in order of preference, starting with “1” for your first choice. You may choose any of the schools listed.

Use your completed Worksheet to fill in your school and program choices in Section 4. Start with your first choice and fill in the School Number and School Name for each choice. Leave the optional program boxes empty if you are applying for a full-day regular kindergarten program. If applying for a half-day or Montessori program, fill in the appropriate optional program box.

The example below shows how to complete Section 4 if your first choice is Coe full-day kindergarten, second choice is Coe half-day kindergarten, and third choice is Queen Anne full-day kindergarten:

	School Number			School Name	Optional Program	
					Half-Day	Montessori
1	2	1	1	Coe	<input type="radio"/>	<input type="radio"/>
2	2	1	1	Coe	<input checked="" type="radio"/>	<input type="radio"/>
3	9	7	4	Queen Anne	<input type="radio"/>	<input type="radio"/>

**Section 5** – Sign and print your name. List phone numbers where you can be reached in case of questions regarding your application.
