ADDENDUM NO. 3 FOR RFP NO. RFP10969
**ARCHITECTURAL AND ENGINEERING SERVICES FOR RENOVATION
UPGRADES AT RAINIER VIEW**

This addendum shall become part of the contract documents and modifies the original bidding documents for RFP No. RFP10969, Architectural and Engineering Services for Renovation Upgrades at Rainier View. Please acknowledge this addendum in your response due October 29, 2009. Failure to do so may subject the bidder to disqualification.

Please note:

The District has been notified that staff from A & E firms have been attempting to visit Rainier View. The Rainier View site is occupied by a tenant and is not available for review by prospective proposers, per the provisions of RFP10969:

Please refer to I. Introduction, page 4 in the RFP:

The project site will not be available for review by prospective proposers.

In the event that a firm attempts to contact any official, employee, or District representative in any manner contrary to the above requirements, said firm may be disqualified for further consideration.

No firm, including firms short-listed for this RFP, may visit the site or have any contact with the tenant at Rainier View until a successful firm is selected.

If the District investigates allegations that a firm has visited Rainier View, and it is found that the firm has obtained an unfair advantage by going out to the project school site, the firm will be disqualified, per the instructions stated in this RFP.
