

Internet Opt Out Form

Before gaining access to the District network, students are required to sign a network use agreement which includes access to the District's network and access to the Internet. Board Policy (Board Policy D139.00) gives Parents/guardians the choice of "opting out" of Internet access.

If you do not want your child to have access to the Internet at school, please check the box below, complete and sign the form and return it to the office at your child's school.
