

 <p>SEATTLE PUBLIC SCHOOLS</p>	<p>ACCEPTANCE OF CORRESPONDENCE OR COLLEGE COURSES FOR HIGH SCHOOL CREDIT</p>	<p>C16.00 Adopted OCT 2007 Page 1 of 1</p>
---	---	--

POLICY

The Seattle School District, in compliance with WAC 392-410-310, will only grant credit, including high school graduation credit, for correspondence or college courses obtained from:

- A. Schools that are members of the National University Continuing Education Association or accredited by the Distance Education and Training Council;
- B. Community colleges, technical colleges, four-year colleges and universities (either private or public), and approved private schools high schools in Washington state; and
- C. Other schools or institutions, including electronically mediated schools or programs, which are approved, after evaluation of a particular course offering, by the Superintendent or the Superintendent's designee.

The superintendent or the superintendent's designee shall establish procedures that implement this policy and set forth the criteria necessary for granting credit for correspondence or college courses.
