

 <p>SEATTLE PUBLIC SCHOOLS</p>	<p>COMMUNICATION WITH COMMUNITY</p>	<p>E20.00 Revised 1996</p>
---	---	------------------------------------

POLICY

It is the policy of the Seattle School Board to provide the public with timely, accurate information and to solicit community input. Because it believes that the strength and success of the schools are tied to the knowledgeable support of the public, the School Board expects staff members to stimulate two-way communications with all District employees and the Seattle community.
