POLICY

It is the policy of the Seattle School Board that the annual budget be prepared in alignment with the Seattle Public Schools' strategic plan and goals. The District's budget should evidence the Board's commitment to fulfill the aims and objectives of the academic program and do so in an efficient and effective manner. The budget should be developed in the context of a multi-year academic plan and a multi-year fiscal plan.

Prior to presentation of the proposed budget for adoption, the Superintendent shall prepare for the Board's study and consideration appropriate documentation supporting his/her recommendations. The Superintendent shall also ensure that the Board is informed and involved in the key strategic decisions as the budget is being developed. Program planning and budget development shall provide for staff and public input prior to action by the Board.
