

 SEATTLE PUBLIC SCHOOLS	GENERAL FUND RESERVES	G06.00 Adopted Sept. 2003
---	--------------------------	---------------------------------

**POLICY**

It is the policy of the Seattle School Board to maintain an unreserved, undesignated fund balance equal to between 2 percent and 4 percent of the district's budgeted non-grant General Fund expenditures. The fund balance should be at the higher end of the range in a positive economic climate. Any proposed use of these reserves will require approval of the School Board and a plan to restore the account as soon as possible.
