## *Cyberbullying Curriculum: Evaluative Questions for Administrators*

**These questions are for district / central office and/or building administrators. Use the back of this page or additional pages, as necessary.**

1. Are bullying and cyberbullying problems for your district or school?
  
2. Do you have (mandatory) bullying prevention programs throughout your district or school?
  
3. If yes, what program(s) are you implementing?
  
4. If yes, how are those programs implemented?
  
5. How did you hear about this Middle School Cyberbullying Curriculum?
  
6. What training is available to teachers before they implement this curriculum?
  
7. Where/How do you plan to include this curriculum into the school day?
  
8. What else do you need to ensure successful implementation?
  
9. What other comments or suggestions do you have?
