

Parent Contact/Background Information

Thank you for helping us evaluate the Cyberbullying Curriculum. We will use your feedback to make improvements in the curriculum. Please answer the contact and background information questions below.

We have included a set of general questions for parents that pertain to each of the nine Cyberbullying Curriculum Lessons. We would appreciate it if you could take time to answer these questions and share your impressions about the curriculum.

Feel free to use the back of this page or additional paper if necessary.

1. Name(s): _____
2. School / District: _____
3. Grade Level(s) of children: _____
4. Does your school have a bullying prevention program? Yes _____ No _____
5. Does your school teach internet safety? Yes _____ No _____
6. Did you receive the parent letter as an introduction to the Cyberbullying Curriculum?
7. If yes, did you find it helpful in understanding this curriculum and the issues around cyberbullying? What other information would you have liked included in the letter?
7. Did you find the student activities useful in helping your child respond to potential cyberbullying behavior? What did you find most helpful? What would you like to see added or revised?
8. Were your children successful in "teaching" you about the consequences of bullying behavior on the bully? What content did you think was most useful? Was any content missing?
9. Did you find the creation of a "Family Plan" around cyberbullying to be useful? Did you have the necessary information and resources to discuss and create a Family Plan? What other kind of resources would you find useful?
10. What other suggestions or comments would you like to make?

Thanks you very much!
