

April 24, 2008

Dear Parent/Guardian:

I am excited to announce an opportunity for your child to receive additional academic assistance during the Seattle Public Schools 2008 Summer Semester. Based on a combination of assessments and staff input, your child is qualified for and invited to attend this summer's Summer School Program.

#### Schedule

The program will run from June 25 through July 31st, 2008 (with a break for Independence Day July 3rd-4th). Classes will be held on Monday through Friday each week and will focus on literacy and mathematics for students who were in 2nd, 3rd, 5th grade during the 07-08 school year. Emphasis will be on developing the skills needed to meet state standards. There is no charge for this program, and we strongly encourage you to take advantage of this opportunity.

Breakfast will be served from 8:30 am to 8:55 am. Class will begin at 9:00 am. Lunch will be served from 12:00 to 12:30 p.m. Students will be dismissed at 12:30.

#### Transportation

Classes are scheduled at multiple locations across the district. Students will be assigned to the site closest to their summer daytime address. Yellow buses will pick up students living outside the school's predetermined walk boundaries. If your child is eligible for transportation, you will receive a transportation letter in late June. Buses will pick up students at neighborhood stops and return them there in the afternoon. There will be no door-to-door service unless it is required by the Transportation department.

If you are interested in this opportunity, please complete the enclosed contact information form. Please be sure the address listed is the address that will be used for this summer. Return it to your child's school no later than May 16, 2008. Space in the summer school program is limited, so we urge you to return the enclosed form soon.

Sincerely,

Glenda L. Morgan  
Summer School Manager
