Alki Student Directory:

Alki PTA provides each student with a Student Phone Directory. The directory is used by families to coordinate school projects, homework questions, and contacting friends.

- If you **do not** want to be listed, please return this form with your **student's name**, teacher, and room # and mark the box below:

Do not include our family in the directory

- If you would like to be listed, use the form below to add the information you'd like listed, and send it back to school with your student. This form must be completed each year.
