

Alki Elementary Current Needs

(updated 10.03.08)

If interested, please contact the person listed or our PTA Volunteer Coordinator, Sharon Matarangas, at shazzoo@comcast.net.

Reflections Chairperson

Reflections is a nationwide PTA-sponsored arts recognition and achievement program. In the fall each year, a new theme is introduced, around which students submit art in various genres. Their work is displayed and judged at the school, and finalists can go onto both the city and state competitions. Reflections at Alki culminates in an art show at our school and an awards presentation. Our chair from the last few years will have lots of information for you to successfully kick-off this program at Alki.

Student Tutors

Alki students need your help! If you have at least one hour a week to spend one-on-one with a student we would love to hear from you. Our students need tutors to help them in reading, math, and vocabulary development. You pick the grade level and subject you would like to help with. Training provided. If you filled out a volunteer form last year you are already cleared to work with students. If you are new to Alki or volunteering at Alki you will need to fill out a volunteer form, which is located in the office. If interested, please contact our Alki Intervention Teacher, Laurie Iba, at liliba@seattleschools.org (preferred) or 206-660-7053.

Election Day Bake Sale Volunteers

Alki PTA is looking for tasty donations for our Election Day Bake Sale to be held November 4 at the Alki Community Center. Preheat your oven now! Pre-wrapped cookies, muffins, cakes and pies are needed the day of the sale. Creative and enticing packaging earns an A+! We also need volunteers to (wo)man the table before, during and after school. For more information or to volunteer, please contact Shan Needham at 206-799-3666.

Building Leadership Team

Alki Elementary PTA is looking for a Building Leadership Team PTA Board Representative for the 2008/2009 school year and beyond. The building leadership team is one of the key guiding bodies for Alki Elementary. It is made up of the principal, staff members and one parent representative. The parent representative is a PTA Board position and a member at large.

The BLT meets weekly or biweekly to collaboratively make recommendations and decisions affecting all students' academic achievement and to identify how to best support the needs of the students and staff at Alki. This is a very important member of our school community, and the position is open to all Alki parents. A successful BLT Rep will have strong, positive communication and collaboration skills. More specific information is available, and a detailed flyer will be coming home soon. If you are interested in more information, please contact Karna Leinbach at 498-8877.
