

Blaine Community Action Team

Thank you for your interest in serving on the Blaine Community Action Team (BCAT). The purpose of the BCAT is to facilitate communication across the Blaine community and to promote a collaborative process.

The BCAT meets on a monthly basis, time and night as determined by the members. In addition, subcommittees may be formed and meet on an as needed basis to accomplish specific tasks.

We ask members to commit to a two year term to ensure continuity and to achieve a greater understanding of the process and scope of issues at hand.

All applications must be received by May 15th, so that we may select new members by the beginning of June. We hope to continue to have a diverse group, representing a cross-section of the Blaine community.

This is a great opportunity to make Blaine an extraordinary school and to work closely with parents and school administrators who have the same goal in mind.

If you have further questions about serving on this exciting team, feel free to contact any current members or email the BCAT through the link on Blaine's website
