WHY donate books?

- To honor someone's: birthday, adoption day, big achievement, general excellence.
- Because there are 900 students at Chief Sealth HS hungry to read and learn from the latest, most current non-fiction and fiction books.
- Because the average cost of a hardcover book is \$20, and the budget never stretches far enough.
- Because the Classics wear out over time and need replacement copies.
- Because students lose books and often can't afford to replace them.
- Because good books ought to be shared.

HOW to donate books?

- Bring them in for a personal thank you.
- Order them online from an online bookseller and ship them to the Chief Sealth Library.
- Mail them to the attention of the Sealth Library.
- Send them with your student to deliver to the Library or Main Office.

WHICH books?

New books & gently used books of almost any kind!

This list contains suggestions – we will happily consider ANY book in good condition you'd like to donate. (Those titles that don't fit within our current needs will be donated to another library or needy recipient.)
