

# NATHAN HALE'S 2007-2008 Option Sheet

RETURN THIS FORM TO YOUR MENTOR TEACHER BY **WEDNESDAY, FEBRUARY 14, 2007.**

After reviewing your Academic History, Graduation Requirements, 4-Year Plan, and current schedule, please select your courses for next year. Please be sure to choose 3 alternates. These need to be different courses, not your first-choices rearranged. Not all courses in the Course Guide are offered annually. Ultimately the number of students who select that course, teacher availability and budget constraints determines courses offered during the year. It is for this reason that alternatives are important to provide the greatest possible options for receiving a full schedule. We will place courses in either semester and in any period order. Please consult the course guide for any courses that have prerequisites or need teacher signatures and obtain those signatures prior to submitting form.

IEP & ELL students please note: Your IEP or ELL teacher will work with you to choose appropriate courses.

You will notice on your option sheets that some decisions have already been made for you depending upon your grade level. We schedule on a yearlong basis for successful completion of student preparation for their future, to provide the best opportunity to complete Nathan Hale's graduation requirements, and to use our resources (time, staff, budget, etc.) the most wisely. Therefore, the choices you make are CRITICAL not only to your learning but to the development of our master schedule and course offerings. When you choose a course you are signaling not only your interest but also your commitment to complete that course to the best of your ability.
