

To convert video using zamzar:

- 1) Go to <http://www.zamzar.com/url/>
- 2) insert You Tube URL where it says “Step 1”
- 3) Insert the file format you desire (probably .wmv or .mov) where it says “Step 2”
- 4) Insert your email where it says “Step 3”
- 5) Click the “convert” button.

Make sure you get a confirmation dialogue stating that your video is being converted.

The upload proceeds quickly. The file conversion may take a few hours. When it’s done Zamzar will send you an email with a link to click on in order to get your converted video.
