

Nigerian Textiles Project
John Stanford International School
January 2003
Assessment for 4th & 5th grade students

Student Name _____ **Date** _____

Teacher Name _____ **Grade** _____

Through this assessment I will know:

- how well I practiced/improved my textile arts techniques
- how well I developed and completed my individual textile piece
- how well I collaborated with other students in developing and completing a group textile piece

I will assess myself with the following measures:

- ✦ I listened actively to instruction. My skills improved as I completed my individual project. I collaborated supportively with other students in completing the group project.
- ✓ I followed instructions in working by myself and as part of a group.
- I did not always participate or follow instructions.

Self-Evaluation

1. I learned about different types and functions of Nigerian textiles. _____
