

## *Artist-in-Residency KWL Chart*

This **KWL** Chart is an opportunity for you to think about what you already know (**K**), want to know (**W**), and will have learned (**L**) about the Caribbean island of Cuba. Before the residency begins, write down anything you know or want to know about Cuba's geography, people, history, song, music, dance or culture in the **K** and **W** sections of this chart. At the end of the residency you will write down everything that you learned in the **L** section of the chart. This will give you a chance to reflect on what you've learned during the Afro-Cuban Song, Music, and Dance Artist-in-Residency with Mark Lilly.
