## Advisory (up to .25 credits)

Students will reflect on their performance (both academic and behavioral) in a daily journal. Some areas to consider would be use of appropriate language, showing respect to self and others, completing assignments, and being on time and prepared for class.

## Behavior Modification (up to .50)

All students must successfully complete and present a Power Point Presentation (of at least 8 slides) on one of the following topics:

- \* Self-knowledge
- \* Choices and Decision Making
- \* Communication
- \* Anger and Conflict Management
- \* Substance Abuse
- \* Self Esteem
- \* Overcoming Personal Trauma and Challenges
- \* Law Related Topic or Issue
- \* Strategies for School Success
