Support Your School Through “Shop Local” and the 3/50 Project

On Saturday and Sunday, November 14 & 15, participating merchants on Queen Anne Avenue will donate 10% of your purchases to the Queen Anne school of your choice. Make a purchase and let us know which school you would like to receive the donation on your behalf. We'll do the rest. It's that easy!

What is Shop Local? Why Now?

This past year our schools have seen slashed budgets, increased class sizes and the demise of teacher cost of living increases. As business owners we've seen a significant drop in revenues that endangers the survival of small, local businesses. We have an opportunity to help each other through the Shop Local event, part of our support of the 3/50 Project.

The Upper Queen Anne Avenue business district is largely made up of small, independent shops with local owners. As a community we can work together to keep Queen Anne Avenue a vital shopping district made up of lively independents who give back to their community.

Enjoy Entertainment and Art by Kids

The weekend promises to be a fun-filled event for the whole family. The McClure Rock and Instrumental bands will perform, and some merchants will feature art by kids.

About the Upper Queen Anne Merchants Association (UQAMA)

The Upper Queen Anne Merchants Association is a member-based organization made up of local retailers and restaurants on Queen Anne Avenue North. We are your neighbors, your friends, and we own the shops and restaurants along the Avenue. Many of us have kids in public schools too!

About the 3/50 Project

Shop Local is part of UQAMA's support of the 3/50 Project. The 3/50 Project is a national initiative that encourages customers to support local businesses by choosing 3 businesses they'd miss most and committing to spend \$50/month at one of those businesses each month.
