

Birthday Books

2009 – 2010

The Laurelhurst PTA and the Laurelhurst Elementary School Library invite you to dedicate a book in honor of your child's birthday or other special event. All dedicated books will have a nameplate (similar to the one below) honoring the child and the occasion inside the front cover. This is a wonderful way to celebrate your child and provide a lasting keepsake for others to enjoy for years to come!

If you would like our librarian, Mr. Brown, to select a book in honor of your child, please attach a check for \$17.00 made payable to the Laurelhurst PTA to this form and return it via Kid Mail or place it in the Birthday Books folder in the school office. If there is a specific title or subject your child would like to have in the library, please check with Mr. Brown to make sure it would not be a duplicate and then you may purchase the book yourself and bring it to the library with this completed form. You may dedicate a book at any time throughout the year.
