

LAURELHURST CHESS CLUB

The Laurelhurst Chess Club is run by Chess4Life, an organization dedicated to teaching chess and positively encouraging students at all levels, developing sportsmanship and other life skills. Students, grades first through fifth, of any level of experience are encouraged to participate. This is an after school activity where children can learn to play chess, have fun, make new friends, and even compete at local chess tournaments.

To sign up for chess at Laurelhurst, please see the attached registration information. You can sign up via mail or online. In addition, please fill out the bottom portion of this form along with the participation agreement on the back, and turn it into the school office. This must be turned in for your child to participate. The admin fee is a one-time fee to cover partial scholarships, program expenses and other fun stuff and is required. Partial scholarships for tuition are available.

***If your child is going to LASER after chess, make a note on the Chess4Life registration form, whether online or as attached.

Students are strongly encouraged to bring their own snack that they may have before the start of chess class. Please note that food is not allowed in the library but may be consumed outside at the tables in the hallway.

On the first day of chess class, all students will meet in the library. For pick up, please check your child out with the instructor.

In the spring, we are hoping to play against the Villa like we did this last year.

For info about chess and Chess4Life, their website is www.chess4life.com. You can also contact the Chess4Life Center at 425-283-0549 or email kids@chess4life.com. If you are interested in volunteering in any way or have other questions, please contact the parent coordinator, Maya Ting at maya.ting@comcast.net or 729-5050.
