

Test Taking Tips by Alice B.

Preparing for a test

- 1) Ask questions- What kind of questions will be on the test?
- 2) Review what you need to study-
 - Start reviewing a few weeks before the test
 - Make a list of what you know, then study what's difficult for you
 - Make study time if there is a really big test
 - Take notes
- 3) Study your notes
 - Read your notes and study them
 - Make lists of your notes or make flash cards

Taking a test

- 1) Listen carefully to directions.
- 2) Re-read the test directions twice to make sure you know what to do.
- 3) Ask for help if you need it.
- 4) Look over the whole test before you start.
- 5) Check your test when you're finished, if you have time.
