

Supportive Education PARTICIPATION AGREEMENT

Laurelhurst Elementary PTA sponsors extra-curricular activities for student enrichment and enjoyment. Enrollment in these activities is completely voluntary.

If you and your child choose to participate, **you** (parent/guardian) will be expected to:

- Discuss with your child the content and requirements of the program prior to enrolling, and get their consent to participate.
- Bring your child to the program on time (for morning classes). Pick your child up from the program on time (for afternoon classes).
- Pay all fees (or apply for a scholarship) by the enrollment deadline for the program. Failure to do so will result in your child being removed from the class roster and put on a wait list. There will be no exceptions to this policy!

Your child will be expected to:

- Pay attention to the instructor and participate fully and enthusiastically in the program. This may include finishing assignments at home.
- Show respect for instructors, volunteers, classmates and other's personal property by exhibiting proper classroom behavior.

Failure to meet the above expectations will result in a request for immediate parent intervention. If the problem continues, the student will be removed from the program.

Most of the extra-curricular activities at Laurelhurst are managed by parent volunteers, but staffed by a paid instructor. In most classes there is only one instructor present and this instructor cannot supervise students who are not engaged in the activity and who are distracting others. If this becomes an issue the disruptive child will be sent to the office and the parent will be called for early pickup. The instructors are contracted to teach the class only and are not able to provide child care before and after class. We realize that emergencies do happen. Every participant will be allowed one late pick up, as long as Susan Lundh in the office is notified prior to the end of class that the parent will be late. If late pick ups become a problem then you will be asked to enroll your child in LASER (space permitting) or your child will be removed from the program and the available space will be filled from the wait list.

Please submit a signed copy of this letter with your application and payment for each program your child registers for. Enrollment will not be completed until this form and payment has been received by the class coordinator or instructor.

We have read and discussed the above expectations.
