

Harvest Night 2009!

November 12th , 5:30 – 8:00 pm

Dinner will be available for purchase

Harvest Night is a family night of fun, food, and projects/crafts. Each classroom will host a project or craft. Following the rave reviews of last year's focus, the emphasis will again be on giving back to the community, sharing the bountiful harvest of our own lives. There will be projects will be donated to neighborhood programs and international agencies. If you have an idea and/or want to help out, contact me (see below) or your room parent(s).

Also at Harvest Night, the wonderful 5th graders and their parents will serve a light dinner at a great price. The money raised will go to offset costs for the 5th grade spring trip to Camp Orkila. Of course raising money is good, but having a meal available has even more rewards. It will give more time for families to be together, and no one from home has to cook!

And if food and crafts are not enough, The Secret Garden book fair will be open in the gym. Please save the date and join Loyal Heights at Harvest Night.

Any questions? Contact Jenny Young.
