Dear Olympic View Families -

Happy Spring!

Our staff was very busy on last Friday's professional development day. The first half of our day was spent continuing our conversations about culturally responsive teaching and enhancing our skill at being responsive to and understanding of the diversity of our school population. We spent the afternoon continuing our learning about Everyday Math and about how to use our new math program to continue to improve the quality of mathematics instruction.

Please mark your calendar and plan to join us for our annual spring campus cleanup scheduled for **Sunday April 20 from 10:00 am to 2:00 pm**. After we "take care of our school," there is talk of another parents vs. kids kickball game (after last year's romp by the kids, we parents have a score to settle).

Help Show the Love for OV Staff

This year's Staff Appreciation Week is set for Monday, April 7 to Monday, April 14. If you are interested in helping our with this year's events, please join us for a brief, informative meeting on **Wednesday, March 26 at 9:30am** in the cafeteria. Bring yourself, your friends, and your ideas! We will have some coffee, something yummy and do some good old-fashioned brainstorming.
