A perfect summer day is when the sun is shining, the breeze is blowing, the birds are singing, and the lawn mower is broken.

Program evaluations! Yay!

It is one of our licensing requirements to hold annual parent/child evaluations of our program. Since it is a licensing requirement AND a great chance for your voice to be heard we will ask everyone to participate. We ask that you sit down and take about 5 minutes to fill out the evaluation, preferably with your child, sometime this week. All evaluations are anonymous but we will keep a check off list of who has completed the evaluation form. Our goal is 100% participation, and be forewarned, Rita will hound you until you complete yours (and she's good at "hounding"). Thank you for your support. Sarah sarahcannon@blazingtrails.org

KID QUOTE-

'I've never bought a school lunch & I'm gonna keep my lunchbox forever...until I graduate from grown-up school!'

Looking ahead...

Our Fall before and after school program is FULL. We have started a wait list. If you will need care this Fall *now* is the time to sign your child up. The sooner you sign up the higher you'll be on the wait list (and ultimately the better your odds of getting in).

If you have already signed up & your schedule has changed, please let us know as quickly as possible so we can serve as many families possible.

Summer Program name change-

We have been referring to our Kindergarten Summer Program as the "K-Raccoons". In order to distinguish that summer program from the rest we have changed the name to the Koalas. Sorry for any confusion.

Just think K!

Requests-

Thank you to all the families who have been granting our requests, we so much appreciate it!

Summer packets-

Are being mailed this week. **Please fill out the required paperwork and return to us ASAP.** We must have the complete packet turned in to us on or before your child's 1st day at BT. If the paperwork is not complete this will affect your ability to attend our program and/or participate in fieldtrips. **The packet can be mailed to us or dropped off any time before the summer program begins.**

Reminder for the summer program: As we are all gearing up for our change in routine please keep a few things in mind:

***Flip-flops are NOT acceptable** for the BT summer program.

***Sunscreen must be applied at home** every morning before coming to BT.

***Your child must bring a nutritionally balanced lunch everyday that neither requires refrigeration nor heating up.**
