

Dear Parents/Guardians,

I am pleased to announce that John Rogers Elementary School will be able to continue its Swim Program this school year. This is a wonderful program that will provide your child with swimming and water safety instructions at Meadowbrook Pool.

The students are divided into groups according to their swimming ability. Each swim session will consist of a swimming lesson for 40 minutes and free time for 10 minutes. The swim session will be offered on Mondays or Fridays at 9:30 a.m., 10:10 a.m., or 10:50 a.m. Some sessions might include organized games where they will have the chance to practice their new skills and play. We will strive to have two or three swim sessions per month for each classroom. Swim schedules will be sent home via kid mail. Please help your child be prepared by bringing a towel, swimsuit, and a pair of swim goggles in a plastic bag on their swim day. The students will always walk to Meadowbrook Pool regardless of the weather, so they should be dressed accordingly.

We will start our swim program on Monday, November 10, 2008. The cost for the Swim Program is \$35.00 per child. We are able to keep the fee low because we do not have to pay for the pool use, only the swim instructors. Please fill out the bottom permission slip and return this form along with your **check payable to John Rogers Elementary School by Monday, November 3rd.**

Please note: If we don't receive this permission form back, your child will still walk over with his/her classroom but will not be able to participate in the swim session.

If you have any concerns or questions about the Swim Program, feel free to reach me at (206) 252-4320.

Sincerely,

Marcia Boyd, Principal
