

Parent to Parent

WELCOME BACK!

Now that we're back to school...

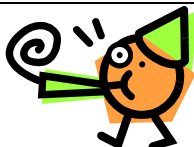

If you're household is anything like ours, getting our child back on a regular schedule has been the priority for the past few weeks. While it has not been easy, getting to bed early so kids have enough sleep and ready to learn is a number one priority.

Now that we have our first few days of school it's time to plan for our **volunteer** activities at Roxhill and **PTA membership drive**.

First, thank you all for joining us here at Roxhill. We love this school and trust you all will find

this year a great experience for you and your family.

Although you do not have to be a member of Roxhill's **Parent Teacher Association - the PTA** - to volunteer, the organization does help us advocate for all students at Roxhill with resources that include organizational assistance, resources and contacts. Our first meeting will be on **Monday, 21 Sept. 6:30 pm - 7:30 pm**. Please come and meet other parents and our PTA officers. We will arrange for childcare, so if you plan to bring your children let us know number and ages to help us plan accordingly.

Notice: IF you have not completed the volunteer forms, background checks included,

Shout outs to all who helped make out first day of school safe and fun:

** Roxhill Staff*

** Volunteers*

** Families.*

Thank you to all who have turned Boxtops for Education & Campbell Soup labels. The points earned will benefit Roxhill's students.

1. make sure the entire label with barcodes is complete,
2. labels are fairly up to date, ie 2008, 09 ish
3. save in a clean & dry container.
4. turn in to the school collection box.

Stop by the PTA bulletin board for ideas to spice up your collecting efforts.
