

Thank you for your past donations to the Schmitz Park Elementary School annual Dinner Auction. Your generous contributions have enabled us to continue our tremendous school programs, and have helped us make Schmitz Park Elementary one of the top Seattle Public Schools. **We look forward to partnering with you again this year!**

If you have not previously participated, the auction is our main fundraiser of the year for Schmitz Park PTA. The PTA supplements the school budget by financially supporting supplemental reading and math programs, the Geography Passport Program, the artist-in-residence program, the science program which encourages hands-on learning, and much more. This year, the auction will be held on February 27, 2010. **We hope you consider making a donation this year.**

Schmitz Park Elementary students give back to the community in many ways during the school year:

- Schmitz Park students collected over \$1,400.00 in change for Penny Wise which supports homeless families in King County.
- Students collected several large bins of food for the West Seattle Food Bank.
- Schmitz Park students participate in the release of salmon smolt into Fauntleroy Creek.

**Please help us continue to provide enrichment programs to Schmitz Park Elementary by donating an item or service to our auction.** Or, if you prefer, you may make a cash donation which would be recognized through event marketing.

To make a donation, simply fill out the enclosed procurement form and mail it to the school address provided on the form. We will be happy to pick up a donation at your location. Donations are due by December 18, 2009. As always, your gift is tax deductible.

Warmest Regards,
