

# Million Word Reading Log

Name: \_\_\_\_\_

Kindergarten

Class: \_\_\_\_\_

**Directions:** Each box represents 100 words read. Color in a box for every 100 words you read. One page is 10,000 words!

Estimate how many words in a book (don't count) by...

- Estimating the number of words per page and multiplying by the number of pages.
- Estimating time of adult reading to your child: parents read about 100 words per minute to their children.
- Estimating time of kids reading: kindergarteners read about 30-35 words per minute (one box every 3 minutes).

**I READ 10,000 WORDS!**
