

West Seattle High School
Building Leadership Team Meeting
4/30/08

Present: Bruce Bivins, Anitra Pinchback-Jones, Pam Hering, Cheryl Sylanski, Craig Richardson, Marguerite Jones, Carol Wakefield

The meeting was called to order. First on the agenda was a power point presentation by Jim Whitford and Ernie Olson, who are with Northwest Association of Accredited Schools. They presented an overview of the accreditation process and our part in it as well as addressed the timelines.

We set up a meeting with them for June 12 at 2:30 to show staff how to proceed with this and what it entails, how to do a data carousel. We can break into four groups: Math/Science, Literacy, Perceptions, and Demographics/Contextual.

Survey will be done on 5/21 and data gathering will begin for the 6/10 combined BLT & IC meeting.

Meeting adjourned.

Respectfully Submitted,

Carol Wakefield
