

2019-20 School Year
Linked High Schools for Student Services: Grades 9-12

LINKED SCHOOLS ARE BASED ON THE 2019-20 HIGH SCHOOL ATTENDANCE AREA FOR YOUR ADDRESS ¹	Linked Schools							
	English Language Learners ²	Special Education						Advanced Learning
		Special Education resource services are provided at every school. Other services will typically be provided at the linked schools as shown. However, students may be assigned to a different site with appropriate services, as close as possible to the student's home ⁵ . Since there are very few medically fragile students, students may be assigned to a different site with appropriate services. Students who have more than one service need will be assigned individually depending on the combination of services needed. To meet the fluid needs of students, assignments may span the Continuum of Services.

1. Students may also apply for an option school that offers the appropriate services; assignment is based on tiebreakers and capacity.

2. ELL services are available at each school.

3. Optional HC/IB at Ingraham, assignment is based on tiebreakers. Please refer to the Student Assignment Transition Plan for 2019-20 for additional details.

4. Students formerly served as SM2.

5. Ingraham will have a capacity increase in 2019 due to construction of a building addition. For the 2019-20 school year, we anticipate being able to accommodate more availability for HC at Ingraham, greatly reducing, if not eliminating, a possible waitlist.

6. [To the extent possible, students are placed in the least restrictive environment. See the document Superintendent Procedure 2161SP Special Education and Related Services for Eligible Students.](#)
