

NAVIANCE HIGH SCHOOL AND BEYOND PLAN HS

Seattle Public Schools utilizes Naviance, an electronic college and career exploration and planning software, to support a system-wide approach to High School and Beyond Plans. The Naviance required tasks align with the state requirements for the High School and Beyond Plan.

WHAT DOES IT MEAN TO BE COLLEGE AND CAREER READY:

- Student is prepared to go directly to and succeed in work, college, or military without remediation.
- Mastery of core academic courses (English language arts, math, civics, and science).
- Mastery of soft skills (communication, solve problems, think critically, analyze information, and collaboration).
- Participation in post-secondary opportunities (CTE courses, skills center, Running Start, AP, and IB courses).

THE HIGH SCHOOL AND BEYOND PLAN WILL:

- Start in 8th grade to support the transition to high school.
- Be electronic and follow students if they change schools within SPS.
- Be aligned to academic goals and career interests.
- Be accessible to both students and families online (parent accounts will be available fall 2019)
- Support Course Planning and Personalized Pathway Requirements (PPR).
- Include self-reflection, goal setting, interest and career inventories, post-secondary research, and resume development.
- Be updated and reviewed on an annual basis.
