My signature below indicates that I have read the following and that I understand and agree that:

- Courses and grades will be reflected on and factored into the student’s Official Washington State High School Grade Point Average. This G.P.A. and course(s) will listed on the official transcript, which is sent to college, universities and other programs.
- Once a course is added to a Washington State Official High School Transcript, it may not be removed.
- Students are encouraged to remain enrolled in upper-level courses even if credits earned for courses taken during middle school are applied towards graduation requirements.
