The above table represents gross rent maximums for all Seattle Office of Housing programs. The **base rent** that may be charged is equal to the gross rent, less the household's imputed **utility estimate** for their unit's utility usage, less any **required recurring fees** that are a condition of occupancy (required renter's insurance, month-to-month charges, King County Sewer Treatment Capacity Fee, etc.). The utility estimate is based on household utility responsibility and the number of bedrooms in the unit, using the schedule published by the Seattle Housing Authority.

Tenants should refer questions about rents to the leasing agent of their building. Property managers and owners with questions about the 2018 Income and Rent Limits should contact the Seattle Office of Housing at (206) 684-0721.
