

Annual Enrollment Report

Section 2

Seattle Public Schools is committed to making its online information accessible and usable to all people, regardless of ability or technology. Meeting web accessibility guidelines and standards is an ongoing process that we are consistently working to improve.

While Seattle Public Schools endeavors to only post documents optimized for accessibility, due to the nature and complexity of some documents, an accessible version of the document may not be available. In these limited circumstances, the District will provide equally effective alternate access.

Section 2: Open Enrollment and School Choice Trends

Section 2 Notes: School Choice allows students to apply for a different school or program during an annual open enrollment period. A student may apply for any combination of attendance area or Option Schools.

Data for school choice applications is taken from on-time applications received during the first two weeks of the Open Enrollment period, usually in February.

Data does not include applications for guaranteed assignments, such as for HCC pathways.

2015-16 was the first year that STEM K-8 had a 6th grade cohort.

In the 2014 school year, John Stanford Intl and McDonald Intl became option schools.

Madrona was truncated to a K-5 school in 2017.

In 2018, all preschool students were under the Seattle Preschool Program.
