Most hours are 9am-5pm Monday to Friday, staff may answer the phone as early as 8:30 and stay as late as 6.

Most services have a policy that they will not turn anyone away while open, with fees on sliding scale (free/low-cost).

Often times parent/guardian consent is not required for confidential services, feel free to ask the provider.

*You may want to mention if you currently get your services through a School-Based Health Center
