

FULL SCHOLARSHIPS AVAILABLE **SUMMER CODING CAMPS**

Hello parents!

Through a generous donation of the Amazon Future Engineers program, we will be running summer coding camps on the Amazon campus and have several scholarships available for kids!

To be considered for a summer camp scholarship, please send the name and age of your student to: scholarships@codingwithkids.com

Camps are available for the Amazon campus only and will require parents to provide transportation and snacks and/or lunches for their student

FOR A COMPLETE LIST OF CAMPS VISIT: WWW.CODINGWITHKIDS.COM/AMAZON
