In 2016, Seattle Public Schools initiated a process for studying the impacts, risks, and benefits of sustaining and expanding Seattle's International Schools and Dual Language Immersion programs through the establishment of an **International Schools / Dual Language Immersion Task Force**.

The district would now like to share the results of the Task Force Recommendations from 2016-2018 and updates from the Program Review submitted to the School Board in October 2017. Please join us!
