School Plan & Budget for the 2018–19 School Year

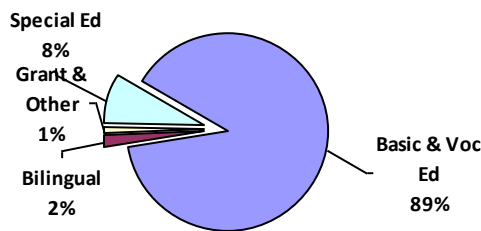

School Mission Statement
 The Alki school community works collaboratively to ensure that each student achieves academically, socially, and emotionally.

School Goals
 Alki Elementary's academic goals for students are for each student to achieve grade level proficiency and a minimum of one year's growth across all content areas. Our school climate goals are for 100% positive ratings from students about our school environment and building strong relationships with staff members.

School Description & Plan to Achieve Goals
 As a school community, we are developing a positive school climate through implementation of the RULER approach and efforts to develop a growth mindset in staff and students. We believe that we need to care for the whole child, which includes social-emotional learning for each and every student at Alki. We are working as one school community to make sure that each student at Alki thrives in all areas, both school and in life.
